CATERING FOR CUSTOMERS WHO CARE

OUR STORY

At 1905 Coffee on Newcastle, we're passionate about food. Our team deliver fresh, healthy meals designed to get your mouth watering.

But we're also more than that. We're part of Workpower, an organisation dedicated to creating opportunities for people with disability, their families, and carers.

We opened 1905 knowing it will change lives. For many of the people in our team, the new skills, experience and confidence they acquire in this social enterprise will be a valuable stepping stone to other work in the hospitality industry.

When you choose us to cater your next event, you're also choosing to make a difference!

CALL US TODAY

We'd love 48 hours' notice for catering orders. However, we will always try and work to your needs.
